

ECONOMY PLANNED BY EDUCATION BOARD

Controversy With Municipal Architect Snowden Ashford Is Renewed.

CHANGES ARE MADE IN VACATION PERIOD

Body Decides to Name New Building After Late John Eaton.

While not yet completed, it is understood that the estimates of the Board of Education for the fiscal year 1911 will not exceed \$3,000,000. Consideration was given the estimates by the board in executive session, the last District appropriation bill having provided that the figures shall not be made public prior to their submission to Congress.

The estimates for the building sites and buildings not having been received by the board, it was unable to finish its work and at least one more session will be necessary to complete the estimates. While an endeavor will be made to obtain an appropriation large enough for urgent needs, economy will be the watchword, as Congress has provided that the estimates of the District government for any fiscal year shall not exceed twice the amount of the revenues.

Old Controversy Comes Up. Routine business was considered as usual in open session yesterday afternoon. In calling the meeting to order, Capt. James F. Oyster, president of the board paid his respects to Snowden Ashford, Municipal Architect, characterizing the attitude of Mr. Ashford toward the board as "vindictive."

"The Commissioners have been unusually kind," said Captain Oyster, "Commissioner Judson has promised to lend his influence toward bringing to an end the controversy, which has existed between the board and certain branches of the Engineer Department. Immediately following Major Judson's departure from the city, however, Mr. Ashford took advantage of his absence by attempting to bring discredit on the board by criticizing the janitor service at several of the schools."

Schedule of Tuition Presented. W. V. Cox, vice president, presented the following schedule of the cost of tuition in the public schools for children living outside of the District: Normal schools, per year, \$9; high schools, \$7; manual training schools, \$5; eighth grade, \$4; seventh grade, \$3; sixth grade, \$2; fifth grade, \$1; fourth grade, \$1; third grade, \$1; second grade, \$1; first grade, \$1; kindergarten, \$1.

Upon motion of Mr. Cox it was decided to direct all the clerks and librarians in the public school system to report to Secretary Hille at the close of each school year for assignment to duty. Heretofore certain of the clerical force have enjoyed an uninterrupted vacation, while others have been forced to continue at their tasks practically all summer. Under the new system the vacation periods will be arranged equitably.

Name School After John Eaton. It was decided to name one of the new school buildings after John Eaton, formerly national Commissioner of Education.

A motion requesting the Commissioners to furnish a complete list of all the school sites owned and abandoned was adopted. According to Mr. Cox, this will assist the board in determining the best sites, as it may be decided to use an abandoned site with the addition of surrounding ground in certain cases.

Seven playgrounds under the jurisdiction of the board will be closed today. The average attendance at each playground has been 200. An exhibition of the industrial work done by the children will be held at the Public Library in the near future.

President Oyster announced the appointment of Mrs. Ellen Spencer Musey as chairman of the committee on elementary schools. Dr. W. V. Tunnell, the new member of the board, was appointed to several committees to succeed J. R. Cook, who recently retired.

Brookland Playgrounds. That provision be made in the next estimates for the purchase of a lot adjoining the Brookland School for playground purposes, is the request made of the Commissioners by the Brookland Citizens' Association.

The ground, it is said, may be purchased at a reasonable figure, and if not obtained at this time, is likely to be sold to private individuals. A hearing is requested in case the Commissioners are not disposed to view the purchase of the lot with favor.

CHARGES UNFAIRNESS.

TRENTON, N. J., Sept. 8.—Thomas J. McGovern, a local contractor, who is fighting patent road building materials, has made complaint to Governor Fort against Frederick Gilkison, State road commissioner, whom he accused of favoring the use of patent articles in state road work at a sacrifice of fair dealing.

MISS WANAMAKER TO WED IN PARIS

Will Marry a Spanish Nobleman Early Next Month.

PARIS, Sept. 8.—The marriage of Miss Fernanda Wanamaker, daughter of Rodman Wanamaker, and granddaughter of John Wanamaker, and Arthur de Heeren, son of the Count of Paris, will take place at the Paris home of Rodman Wanamaker, on the Champs Elysees, October 4. The announcement was made today.

The announcement of the engagement was not made until the marriage on July 26 of Rodman Wanamaker, the bride's father, and Miss Violet Cruger, Arthur de Heeren is a member of the Spanish nobility.

OLD SOLDIER'S LUCK STILL GUARDS HIM

Newly Purchased Auto Is Ditched, But He Escapes Without Scratch.

GREENWICH, Conn., Sept. 8.—Sergeant Andrew Driscoll, of the "Fighting 1st" of the civil war, went through many a battle without receiving a scratch, and his good luck remains with him. He bought an automobile in Brooklyn, and, with Frank A. Borton, started with the machine for this place.

When within three miles of Stamford, the car zigzagged across the street and into a railing alongside an embankment. Driscoll slid off the seat, over the rail, and landed ten feet below on the dirt. He said he was not even scratched. A racing car, owned by John H. Tyson, out for exercise while Tyson is ill, picked him up and brought him unhurt to the Soldiers' Home at Noroton, near here.

President Oyster announced the appointment of Mrs. Ellen Spencer Musey as chairman of the committee on elementary schools. Dr. W. V. Tunnell, the new member of the board, was appointed to several committees to succeed J. R. Cook, who recently retired.

JOHNSON IS LEADING IN CLEVELAND RACE

Incomplete Returns Indicate He Will Again Be Nominated.

CLEVELAND, Ohio, Sept. 8.—Tom L. Johnson will probably be the Democratic nominee for mayor, according to incomplete returns. If nominated it will be the fifth consecutive time he has been so honored. His opponent, who ran him a close race, is Dr. F. W. Watz, an alderman.

In the race for the Republican nomination Herman C. Baehr, now recorder of Cuyahoga county, holds the lead. Robert E. McKisson, twice mayor of Cleveland, opposed him.

All but two members of the city council who endorsed the 3-cent street car idea were renominated. Schwab at Cincinnati. CINCINNATI, Ohio, Sept. 8.—Dr. Louis Schwab was renominated for mayor of Cincinnati on the Republican ticket. There was little opposition. The contest was warmer for the Democratic nomination and J. W. Peck, a lawyer, defeated Alfred M. Cohen, a former State senator.

ELKS TO CONDUCT BIG ENTERTAINMENT

Joint Clubs Will Give Benefit Show for Detroit Fund.

Preparations will shortly be made by the Detroit Club and the minstrel troupe, both branches of the Washington Elks, for a series of entertainments to be held in November, the receipts of which will be used to defray the expenses of the members on their trip to Detroit, the scene of the Elks' club convention next July. The committees in charge of the entertainments are made up as follows: Executive, Fred Marshimer, chairman; Dana Holland, and Joseph Wood; arrangements, James A. Balderson, John Gorman, B. Sauter, Dana Holland, and B. Dawson.

WOMEN RECRUITING FOR SUNDAY SCHOOL

Pastor Offers Prize for All Men Obtained for Class.

WILKESBAIRE, Sept. 8.—Young women are scouring the town today for young men who are willing to go to Sunday school. Every young woman who gets two recruits will be awarded a box of candy by the Rev. J. O. Schlenker, of Christ German Lutheran Church.

The large falling off in attendance worried the pastor and he decided to use the influence of the young ladies to bring about a change.

PLUMP FOLKS AND THIN FOLKS

Samose Will Make People Fat—"Money Back If It Fails"—Says O'Donnell.

The line of beauty is a curve. Women may be thin and graceful, but not thin and beautiful. There is a vast number of pale, thin, nervous people who are all brains and nerves, but without the strength and health that accompanies the standard weight. Good flesh and perfect health go together. A true flesh-forming food like Samose is absolutely necessary to many people.

No one can use this wonderful flesh-forming food for 10 days without a noticeable gain in flesh and strength. Carefully kept statistics show that out of every hundred people who begin the use of Samose, 98 per cent increase in weight and their health and strength are restored.

O'Donnell's have enough confidence in this remarkable flesh-forming food and health restorer that they are willing and glad to allow any customer to demand 50c with them and take home a box of Samose with the understanding that if it does not give a marked increase in good firm flesh the money will be returned without any questions.

Samose is sold for 50c a package at O'Donnell's Drug Store, 204 F street northwest.

President Oyster announced the appointment of Mrs. Ellen Spencer Musey as chairman of the committee on elementary schools. Dr. W. V. Tunnell, the new member of the board, was appointed to several committees to succeed J. R. Cook, who recently retired.

VETERAN PRINTER IS GIVEN SURPRISE

Friends of "Cappy" Mander Present Latter With Smoking Set.

C. W. Mander, known familiarly to his fellow-workmen of The Times composing room as "Cappy," is today the proud possessor of a fine lot of smokers' articles, the gift of a group of friends who have been his associates in the realm of newspaper-making for many years.

Mr. Mander was seated in his home, 204 Duke street, Alexandria, last night when he was given a pleasant surprise that he will remember for years. Mrs. Mander was a party to the secret and had already prepared a buffet luncheon for the guests.

After a little presentation speech, the evening was given over to an informal entertainment. Several songs were sung by the octet of The Times composing room, and Miss May Mander, granddaughter of Mr. and Mrs. Mander, sang some songs in a sweet voice. Mr. Mander, himself a model of ability, also participated in the entertainment.
